Important Changes Coming
September 2018

UCLA UCPATH

When **UCLA UCPath** launches in **September,** employees can expect the following changes:

UCPath Center
New system-wide shared services center for Payroll, Benefits and HR inquiries and transactions

UCPath Portal
New employee self service portal, replacing AYSO for viewing and managing employee information [*]

Payroll

- **New look and feel to paychecks**
- **New paper paycheck distribution method**
- **New process for handling credit union payroll deductions**
- **Additional Direct Deposit options**
- **New location for viewing and printing W2s**
- **New industry-standard deduction and withholding calculations**
- **Single pay cycle for employees with multiple jobs**

Benefits

- **UCPath Center services for responding to benefit questions**
- **New employee self-service portal for Benefits enrollment and managing life event changes (marriage, new baby, etc.)**
- **New process for claim submissions**
- **New contact for Open Enrollment assistance**

*Exception: Employees will continue to access AYSO for e.g., retirement information, to update beneficiaries, and to access previous years W-2s.
